## Red Cross Emergency Nets

28.8 Mc ----- 50.7 Mc

Sunday Oct 7. The 28.8 net will be open for one hour, 1645 GMT to 1745 GMT. (1245 PM to 1:45 PM EDT.)

The American Red Cross and its affiliated Radio Amateurs participate in a yearly Simulated Emergency Test (S.E.T) sponsored by the ARRL. These tests have successfully demonstrated the amateur capability to support the Red Cross.

Affiliated stations may originate a message of ten or fifteen words, to local emergency coordinator (WBAL) or to the Canton Amateur Radio Club.

Use ARRL message forms.

Red Cross Officials will be invited to observe this operation, so how about a big turn out for this event?

In four months of net operation, the ten meter net has had 59 stations checking in, this includes 19 mobiles answering roll call.

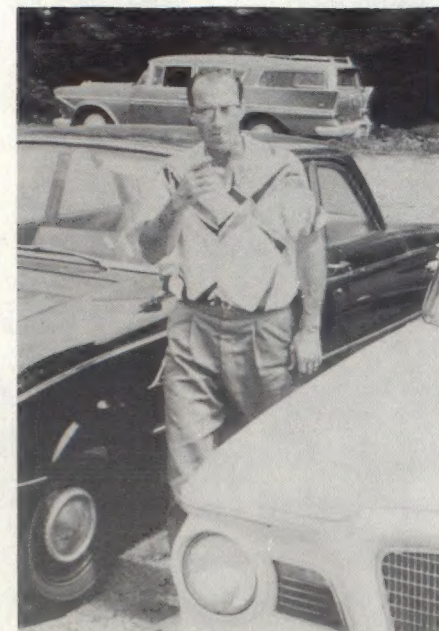

The six meter net has had three net exercises with 33 stations being active.

Six meters was inactive on Sept 2, as no net control had been appointed, in the absents of NC Charles Keeton K8OBW.

From the pictures you will get an idea of how the picnic turned out. Some 51 persons registered, we know of several that did not register.

John Blazekovich K8KTM prize chairman rounded up some 80 prizes for the event.

1st prize a TS-34/AB scope went to W8QAZ.

2nd a Voltmeter kit went to K8HED.

3rd a record player to K8YLK.

4th a AT-1 Transmitter to K8YVZ.

Ginny K8VWW and Salley W4UEX/8 did a grand job entertaining the harmonics with various games. Many of the old timers wanted to take part in the three legged race but the thought of aching bones said no no.

Chuck Cramer W8QAZ also came home with first prize from the Warren Hamfest, a HX50 SSB transmitter. Chuck also walked off with the big prize last year. Boy it sure looks like country cousins some where.

AL Frick associate member, is now a full member, having received his novice-tech ticket W8FLD.FB AL.

We are in need of news, news about you. This is an invitation for our readers, write something for the Feedline. Suggestions, do you have other hobbies ? coins ,stamps, guns or YL's. No doubt they are others that share a common interest other than amateur radio.

Watch for announcement on the Hall of Fame certificate
